**Site Address:** \_\_\_\_\_

**Sub Division Name and Lot No. (If applicable):** \_\_\_\_\_

**Estimated cost of construction:** \_\_\_\_\_

A written description explaining building use must be included with this application. An Agricultural Building is permitted to store hay, feed, grain or other agricultural or horticultural products or to house poultry, livestock or other farm animals. The term shall not include habitable space of spaces in which agricultural products are processed, treated or packaged and shall not be construed to mean a place of occupancy by the general public.

Complete the diagram. Show all dimensions from property lines and easements for all existing structures-house, garage, etc. Location of on-lot septic system (if applicable) and proposed building location. Use additional sheet if required. Cannot be placed in any easements.
