SEE CONDITIONS ATTACHED

CONDITIONS:

- When the driveway slopes toward the Township road a gutter shall be maintained across the driveway adjacent to the road in order to help prevent stormwater from entering onto the Township road.
- If applicable, water bars, swales or other stormwater control measures shall also be maintained in the driveway as indicated on the approved driveway design and construction details.
- No paving of the driveway shall commence until the site and preparatory work has been inspected and approved by Greenwich Township Code Enforcement Officer. **To schedule the inspections call Pete Eisenbrown, LTL Consultants at 610-987-9290.**
- **This permit is issued conditioned upon the applicant obtaining a Highway Occupancy Permit from PennDot – Mark Kosica 610-929-2093.** Please forward a copy of the issued HOP permit to Greenwich Township and Keystone Consulting Engineers.
